SANAL M S

8547931827 | sanalms08@gmail.com | Kochi,Kerala,India | www.linkedin.com/in/sanal-m-s/ | www.behance.net/sanalms2

Detail-oriented and motivated IT professional with a Master of Computer Applications (MCA) from Rajiv Gandhi Institute of Technology, Kottayam, and a Bachelor of Science in Electronics from the College of Applied Science (IHRD). Proficient in programming languages such as Python, C, and C++, and possess a solid foundation in front-end technologies including HTML, CSS, and JavaScript. Skilled in design tools like Figma and Adobe XD, with practical experience in interaction design and creating user-centric digital experiences. Actively involved in design communities, I am passionate about integrating technology and creativity. I am seeking opportunities to contribute to innovative teams where design thinking and technical expertise converge to deliver impactful solutions.

EDUCATION

MASTER OF COMPUTER APPLICATIONS (MCA)   **September 2023-May 2025**

Rajiv Gandhi Insititute of Technology, Kottayam

BACHELOR OF SCIENCE IN ELECTRONICS

College of Applied Science (IHRD),Thodupurzha   **October 2019- May 2022**

WORK EXPERIENCE

UI/UX Designer
Comstream Technologies Pvt Ltd
(June2025 – July2025)

- Designed user-centered web and mobile interfaces using Figma and Adobe XD.
- Created wireframes, prototypes, and user flows to improve usability and engagement.
- Collaborated with developers to ensure accurate implementation of UI designs.
- Conducted usability testing and improved design based on feedback.

Junior Robotics Engineer
Srishti Innovative Pvt Ltd
(august 2025 – Present)

- Worked on robotics-based solutions integrating hardware and software components.
- Assisted in development and testing of automation systems.
- Collaborated with cross-functional teams to improve system performance and efficiency.
- Applied programming knowledge in real-time problem-solving environments.

PROJECTS

Shopping Mobile App – UI/UX Design
Tools: Figma
Designed a modern shopping mobile application featuring curated product collections and seamless navigation. Created intuitive category filters, detailed product pages, and visually appealing product cards. Focused on clean layout, usability, and enhancing the overall browsing experience.

UI/UX Designer Resume – Personal Branding Project
Tools: Figma
Designed a professional UI/UX resume layout showcasing skills, work experience, certifications, and projects. Applied strong typography, structured sections, and balanced spacing to create a clean and minimal visual identity suitable for personal branding.

Social Media App UI Design
Tools: Figma
Created a modern social media mobile interface with an immersive feed layout. Designed user stories section, interactive post cards (like, comment, share), and a visually engaging dark theme to improve readability and user engagement.

E-Commerce Mobile App UI Design (Cartify)
Tools: Figma
Designed a vibrant e-commerce mobile application interface with structured navigation and product categorization. Included promotional banners, category chips, product listings with pricing and discounts, and a bottom navigation bar to ensure smooth user flow and usability.

Portfolio Website - June, 2024 (Hobby project)
Technologies: **HTML, CSS, JavaScript**
Developed portfolio website using HTML, CSS and JavaScript, enhancing user engagement through interactive features and seamless performance
